Sir:

A Notice of Allowance and a Notice of Allowability were mailed by the Patent Office for this application on March 19, 2004. In the Notice of Allowability (box 4) the Examiner asserted that none of the certified copies of the priority documents have been received. However, the certified copy of the priority application was submitted in parent Application No. 09/481,503. The Examiner can view the image file wrapper that is available over the Patent Office PAIR database, in order to confirm that the certified copy of the priority application was filed in parent Application No. 09/481,503.

Acknowledgement of receipt of the priority application in the parent application is requested.

Respectfully submitted,

Mario A. Costantino
